A Message from the Principal...

Dear Parents,

My sincerest apologies for the delay in sending out the April Parent Newsletter. Here are some important announcements for the month:

State Testing for 3rd-6th Grades

Testing dates for 3rd-6th are:
April 19, April 20, April 21, April 27, April 28

During the month of April, Vista Grande students in grades 3 to 6 will be starting the California Assessment of Student Performance and Progress (CAASPP). This computer based state assessment measures student progress in both English Language Arts and Math. Since students have not taken this assessment since 2019, teachers have been working hard to prepare students for this test.

Please help us by doing the following:

- Ensuring your child goes to bed early and gets a good night sleep.
- Ensuring your child eats breakfast. Breakfast is served at 7:30 a.m. at Vista Grande daily.
- Ensure your child arrives on time to school. If your child is late, your child will not be admitted to the class testing session.

Science and Math Competitions

I would like to congratulate our Science Fair, Crazy Contraption and Math Pentathlon Teams. 5th Grade Teacher, Mrs. Gonzalez, led the student teams and they have spent many hours working after school. We are proud of their hard work and determination. Vista Grande congratulates our 4th grade student, Armando Calderon who won a Silver Medal at the County of San Bernardino Science Fair. Congratulations to all students that participated!!

Thank you for your continued support!

Sincerely,

Ms. Castillo
