A Message from the Principal...

Dear Families,

Happy February!! February is a short month, but a very busy month. It has hard to believe that we are almost to the end of the 2nd trimester. Students and teachers are working very hard to get through the content for this trimester and prepare for upcoming assessments. Please be aware that the second trimester ends on February 25 and students in TK-6th will take trimester assessments in Reading and Math starting on February 15. The results of these assessments will be shared at the March Parent/Teacher Conferences.

February also has **two school holidays on Monday, February 14 and Monday, February 21st**. Please plan ahead for these days off. Since there is no school on Valentine's Day, students will not be celebrating in classrooms this year. We encourage families to take advantage of the day off to celebrate as a family instead.

Finally, as we continue to navigate the pandemic and cold/flu season, we ask for your continued patience with our COVID mitigation strategies. Our goal is to keep students and staff safe during this challenging time. If your child becomes ill or is asked to quarantine, students can stay busy by completing an independent study packet for attendance credit. In addition, students can access AR, i-Ready and Zearn electronically to practice their reading and math skills while at home. If you should have any questions about our independent study process, please feel free to contact the office.

Thank you for your continued support! Have a great month ahead!!

Sincerely,

Ms. Castillo
