2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Wiltsey Middle School, serving 6th through 8th grade, became a fully authorized International Baccalaureate School at the beginning of the 2014-2015 school year. The International Baccalaureate Program aims to develop inquiring, knowledgeable, and caring young adolescents who actively engage in creating a better and more peaceful world through intercultural understanding and respect. This world-class international academic program encourages students to become compassionate and reflective lifelong learners who are open-minded and understanding of all cultures and people. Wiltsey Middle School is now one of only 652 IB schools in the United States.

In addition, Ray Wiltsey Middle School has been recognized as the 2021 Gold Award from the California PBIS Coalition for Positive Behavior Incentives and Supports. Ray Wiltsey Middle School is also recognized as a California Schools To Watch in 2018.

Our Mission Statement: At Wiltsey Middle School, we empower a safe, respectful, and responsible community of lifelong learners to achieve high levels of learning by providing an equitable and challenging learning environment

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Ray Wiltsey Middle School has adequate classroom, staff, and ancillary spaces. Wiltsey has approximately 55 classrooms, one computer lab/library, a fitness room and a counseling center. There are four canopied areas where students can eat lunch. There is a large field with a tennis court, a handball court, and a basketball court. There are ten student bathrooms. There is a staff room and two restrooms for staff member use.

To promote safety, Ray Wiltsey Middle School is a closed campus; gates are closed during the school day and visitors must enter through the main office to sign in at the front desk prior to entering school premises. Visitors must present their California ID badges and staff must present their district badge through our RAPTOR system. Signage has been placed at all gates directing visitors to check in at the office. All staff members have been provided with district ID badges. Student supervision is provided by the administration, teachers, support staff and proctors before, during, and afterschool.

In addition to safety, cleanliness of our facilities is a top priority. The Wiltsey custodial staff works diligently to ensure Wiltsey Middle School is safe, clean and in good working order. Site and District maintenance and grounds staffs ensure that the work necessary to keep the school in good repair and esthetically pleasing are completed in a timely manner.

A work order process is used to ensure efficient service and emergency repairs are given the highest priority. Work orders are filled and monitored through the combined efforts of the custodians, office manager, and Administration. Restrooms are checked/monitored many times throughout the day by site administrators and custodial staff. All restrooms are in working order. Ray Wiltsey upgraded roofs in the MPR (multipurpose room) and Cafeteria area during the summer of 2019.

School Facility Conditions and Planned Improvements

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility a survey instrument developed by the State of California OPSC. The results of his survey are available at the school office. The report, which noted the visit was a positive, professional experience with a focus by the entire staff on seeking to improve the learning of each student, was forwarded to the Superintendent of Schools. The most recent state inspection mandated under the Williams Settlement was completed on August 17, 2021 by the County's William's Team. The Facility Inspection Tool was used throughout a walk through of our school. The following extreme deficiencies were observed: Section 10. Fire Safety (Room 61) Emergency exit sign is not functioning (X). The following good repair deficiencies were observed: Section 7. Electrical- Multipurpose Room: Electrical panel door lock and/or latch not functioning as designed, Library: Electrical panel door lock and/or latch not functioning as designed (work order # 19471), and Section 8. Restrooms-Girls' 6th grade Restroom: Stall doors or latches not functioning as designed (work order #190947). There were no insufficiencies observed in relation to instructional materials. Any areas of concern noted by the team were corrected as reflected elsewhere in this report. Deficiencies listed as (remedied) were remedied/corrected at the time of the review.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

At Ray Wiltsey Middle School, Parent Leadership and Participation is highly encouraged. Our parent groups are very valuable because they provide input into our many school programs, our school plan, and ongoing educational programs. Parents are highly encouraged to be involved in their student's education as volunteers in the classrooms, field trips, clubs and athletics, getting involved in the decision-making process through school committees, as well as attending and helping with school events at Wiltsey. Our school promotes parent participation and attendance through: Coffee with the Principal, Parent Education Workshops, GATE (Gifted and Talented Education) Meetings, School Conferences, Back to School, Open House, and Special Education Meetings.

The School Site Council, SELPAC (Site English Learner Advisory Committee), DELAC (District English Language Advisory Committee) and Coffee with Administration meetings provide more opportunities for parents to get involved with their child's educational experience.

We welcome parent/guardian visits and phone calls. Regular school-to-home communication is provided in both English and Spanish. Information about current events and school activities can be found on our school website, flyers, School Loop, Blackboard Connect messages and Twitter Account. The school mails important news and announcements to parents at home, uses the school's automated telephone system to contact parents verbally, sends text messages to parents via Blackboard Connect and social media such as Twitter.

For the safety of our students, parents/guardians should sign in at the front office and receive a "Visitor's Pass" before they are allowed to visit a classroom. Parents who want more information or wish to participate may contact the front office (909) 986-5838. There is a job for everyone who wants to get involved.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	12.94	0.00	2.98	0.03	3.47	0.20
Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The Comprehensive School Safety Plan was developed for Ray Wiltsey Middle School in collaboration with local agencies and the district office. Components of the plan include: maintenance, security and safety of the physical environment, school climate which addresses disaster procedures and routines, an action plan that ensures a safe physical environment and safe school climate, a well as our school safety compliance that ensures required child abuse reporting procedures, suspension and expulsion policies, due process, notification to teachers about dangerous pupils, sexual harassment policy, school-wide dress code, procedure for safe ingress and egress from school, procedures to ensure a safe and orderly environment and rules and procedures on school discipline. Monthly disaster drills are scheduled and practice school-wide to ensure student safety procedures. The plan was recently reviewed and discussed with the staff in September 2021. School site Council last approved the Ray Wiltsey School Safety Plan in January 2021.

An approved copy of the school site safety plan may be obtained at Ray Wiltsey Middle School's main office or the Ontario-Montclair School District office.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
