2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Ramona (Communication Arts Academy) is located in the southwest corner of the Ontario-Montclair School District. Ramona serves approximately 654 students in grades Pre-K through 6. The school's attendance area includes southwest Montclair and portions of eastern Pomona. Ramona holds high expectations for all of its students and has achieved success through its commitment to an exemplary instructional program, a system of coordinated interventions through the dedication of Ramona's staff members and families. Ramona Academy prides itself on providing students with a solid, early educational foundation with its four-state preschools including one inclusion class, one transitional kindergarten class, and four regular education kindergarten classrooms. Our mission at Ramona (Communication Arts Academy) is to motivate, inspire and empower students by promoting exceptional communication skills. Through collaboration, communication, and differentiation, we establish a philosophy of high expectations so that the learning community thrives. Our goal is that all Ramona students, including all subgroups (English Learners, students with disabilities, Foster Youth, socioeconomically disadvantaged, gifted and talented students, Hispanic, White, and African-American students) reach or exceed grade-level expectations in English Language Arts, Mathematics, Science, and Social Studies by increasing each year by five percent on California's statewide student assessment system. Student academic progress is monitored throughout the school year using interim assessments in English Language Arts and Mathematics. Data received from these assessments are carefully analyzed by grade-level teams and the support staff, and decisions are made to positively impact student achievement. Major program initiatives include "School-wide" Title I, GATE, Special Education, PBIS, MTSS, and participation in the Montclair Community Collaborative. Ramona has other special-purpose funding which is used for a wide variety of projects to support instructional programs, staff development, and other school improvement efforts. Ramona is designated as Communication Arts Academy. This entails a learning community that offers a specialty in the area of the communication arts and academic discourse in all grade levels. Moreover, Ramona Communication Arts Academy has identified the GATE cluster in sixth grade. This cluster of students is challenged through a differentiated curriculum. Many opportunities exist for students to refine their communication skills including a student-centered learning approach, and engaging learning opportunities that provide students with the tools to participate in academic discourse. Additionally, students use Chromebooks, iPads, blogging, pen-pals, classroom presentations, an annual talent show, and a Writing Gala to exhibit and celebrate student work. During the 2019-2020 school year, Ramona earned the California Distinguished School Award. During 2019-2020, 2020-2021, and 2021-2022 school years, Ramona earned the California PBIS Platinum Award.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Ramona (Communication Arts Academy) was opened in 1968 as OMSD's 33rd facility. The permanent school facility includes 2 preschool rooms, 20 regular classrooms, an administration building with a staff room, a library, 4 small ancillary rooms, and a Multi-Purpose Room. As a result of past growth in enrollment, the school now has a total of 11 portables on-site in addition to the twenty-two original full-sized classrooms. Ramona (Communication Arts Academy) features a large campus with ample playground facilities including substantial grass and blacktop areas. The upper-grade playground has a safety-compliant play apparatus with wood-fiber fill. Several years ago a new Pre-Kinder/Kinder playground was replaced providing a new safety play apparatus. The school strives to keep the campus clean, safe, and well-maintained at all times. A periodic review of cleaning schedules and methods allows the custodial staff to place priority on cleaning classrooms and removing rocks, glass, and debris from play areas in a timely manner without neglecting other duties. Any graffiti that is found is removed immediately. The school has implemented a clean restroom policy, which includes regular visual checks and frequent cleaning.

All restrooms are thoroughly cleaned daily and 100% of the toilets are functioning. Students are regularly reminded that they are expected to respect and care for school property. Expectations for restroom use are posted outside of the restroom facilities. The district participates in the State School Deferred Maintenance Program, which provides state matching funds to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. Each year the district makes the maximum district match required by the State to fully participate in the deferred maintenance program.

During the 2007-2008 school year, Ramona saw the completion of construction of the new multi-purpose building. Electrical service upgrades and a complete modernization were completed in June 2008. Telephone and internet connections are available in every classroom, and the district has installed wireless internet connections accessible throughout the entire school site. All classrooms are equipped with SmartBoards, computers, and printers. A perimeter fence controls access to the school to ensure the safety of both staff and students. Future improvement plans have been prepared and are regularly reviewed and updated to ensure they remain in compliance with state and local regulations and they will be of the greatest benefit to the school when implemented. There are no current or planned facility improvements this year.

To promote safety, Ramona is a closed campus; gates are closed during the school day and visitors must enter through the main office to sign in at the front desk prior to entering the school premises. Visitors must present their California ID badges and staff must present their district badges through our RAPTOR system. Signage has been placed at all gates directing visitors to check-in at the office. All staff members have been provided with district ID badges. Ramona offers student supervision before school, during school, and after school. Supervision in the mornings is done by the administrative team, support team, and proctors. Recess duty supervision is offered by the administration team, teachers, and proctors. Adult proctors supervise lunch and lunch recess. After-school supervision is offered by the administration team, support staff as well as teachers.

In 2010-2011 Ramona had two thin-book laptop carts formatted for student use and purchased two additional carts in 2011-2012. During the 2013-2014 school year, Ramona implemented an iPad pilot program in both primary and upper-grade classrooms in addition to approximately seven iPads for staff use. Additionally, Ramona was provided with laptops in a portable cart to assist the school in piloting Smarter Balance assessments for students in grades 3-6. Over the last few years, additional technology has been purchased. Currently, the technological device ratio for students in grades TK-6 is 1:1.

Ontario-Montclair School District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

School Facility Conditions and Planned Improvements

The Ontario-Montclair School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the Ontario-Montclair School District uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available at the school office or Ontario-Montclair School District office. The LEA governing board has adopted cleaning standards for all schools in the Ontario-Montclair School District. A summary of these standards is available at the school office or at the Ontario-Montclair School District office. The Principal and Assistant Principal work daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

OMSD participates in the state's School Deferred Maintenance Program, which provides state matching funds in order to assist schools with the expenditures for major repairs and upgrades. Typically, this includes the following: roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor, and carpeting. Each year the district matches the required allotment set by the state in order to participate in the deferred maintenance program.

The most recent visit by the Ontario-Montclair School District was on March 15, 2022. The school received an overall rating of Good at 96.96%. Ramona is proud to have met the expectations of the evaluation in all areas.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	43	N/A	40	N/A	47
Mathematics (grades 3-8 and 11)	N/A	31	N/A	26	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	98%	100%	100%	100%	100%

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Ramona (Communication Arts Academy) offers a number of educational and involvement opportunities for our parents including workshops and training on a number of topics related to math, reading, and technology. Ramona also provides training opportunities for the parents of GATE and Special Education students throughout the year. School Site Council, SELPAC, and Coffee with the Principal meetings are also held on an ongoing basis to support parent involvement in the decision-making process at Ramona. Again this year, Ramona continues to support the community-based ASES program, which provides no-cost after-school care, enrichment, and homework assistance for three hours each day.

Ramona (Communication Arts Academy) prides itself in its connection to the community. Ramona is a member of the Montclair Community Collaborative (MCC), which assists families in need. The MCC supports schools with full-time counselors, a DCS caseworker, and a community police officer, and links to other community resources. We are fortunate to have a full-time Outreach Assistant who serves as an advocate for our students and families and is the link between the MCC and the school. Other district support includes a variety of personnel through our Pupil Personnel Services department. This year, the district has continued its focus on family involvement and has continued to implement a plan to increase meaningful family involvement in our schools.

Ramona (Communication Arts Academy) makes extraordinary efforts to keep its families acquainted with school-related events and activities. Ramona School communicates with parents through:

- School Compact
- Parent informational meetings
- Back to School Night
- Parent/Teacher Conferences
- Parent Education Nights
- Coffee with the Principal
- Pastries with Parents/ Read With a Loved One
- School Site Council/Site English Learner Parent Advisory Council
- Open House/Writing Gala
- PTA Events
- School and Classroom Newsletters
- Educational Applications
- Parent Liaisons

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.13	1.64	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

Ramona's Comprehensive School Safety Plan was developed in collaboration with local agencies and the district office. Components of the plan include maintenance, security, and safety of the physical environment, school climate which addresses disaster procedures and routines, an action plan that ensures a safe physical environment and safe school climate, as well as our school safety compliance that ensures required child abuse reporting procedures, suspension and expulsion policies, due process, notification to teachers about dangerous pupils, sexual harassment policy, school-wide dress code, a procedure for safe ingress and egress from school, procedures to ensure a safe and orderly environment and rules and procedures on school discipline. Monthly disaster drills are scheduled and practiced school-wide to ensure student safety procedures. The plan will be reviewed and discussed with the staff in March 2023. The Comprehensive School Safety Plan will be discussed with the School Site Council in February 2023. Approval of Ramona's Comprehensive School plan will also be sought at the February School Site Council meeting. An approved copy of the school safety plan may be obtained at Ramona's main office or the Ontario-Montclair School District office.

Professional Development

Ramona staff participated in a variety of opportunities for professional development. These include school site training, district training, and PLC meetings.

Our school site training consisted of SEL, PBIS, Learning Targets, Kagan Engagement strategies, Open Share strategy in ELA and Math, Differentiated Instruction, reading comprehension, ELD strategies and resources, explicit phonics instruction for our 1st-grade teachers, and writing.

District training included district-led and self-guided training in the areas of ELA, ELD, Math, Science, SEL/PBIS, Kagan, Differentiated Instruction, Gradual Release, and technology integration.

Professional Learning Community Meetings are held twice a month. Teachers analyze student data as well as create common assessments in Math and ELA. They determine best practices and develop a plan to meet students' needs as well as plan for future instruction.

This table displays the number of school days dedicated to staff development and continuous improvement.
