2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Mission Elementary School is a caring, student-centered learning environment which assures all students a superior education through a partnership between school and community. The staff at Mission is a dedicated group of professionals who are committed to providing a quality education in a motivating supportive atmosphere. We believe that learning is an ongoing process which begins at home, is supported and encouraged at school, and continues throughout a lifetime. We believe that every student will develop a positive self-image, a sense of self-discipline, respect for other people, academic independence, and effective communication skills. During the school day, teachers involve the students in many different activities, utilizing a great variety of strategies to ensure that all students learn, and to provide a rich and supportive classroom experience. A variety of other programs and services are offered at Mission. Students will have the opportunity to participate in our after-school program, outdoor education, and extended learning opportunities.

Vision

Mission Elementary School cultivates collaboration among staff, students, parents and the community to provide a safe, supportive environment where students will become proficient or advanced in all academic areas.

Mission

Mission Elementary School guarantees each student a rigorous, comprehensive, standards-based education.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

School Facility Conditions and Planned Improvements

The Mission Campus has adequate classroom, staff and ancillary spaces which includes:

- 28 classrooms (sufficient for each class to have its own room)
- A Staff Lounge with bathrooms
- Workroom for teachers
- Two areas for students to eat, a Multipurpose room and covered patio area for approximately 200 hundred students
- 9 bathrooms for students around campus
- 2 separate playgrounds for primary/upper each has its own field and a separate basketball area and grass area.

There are no current or planned facility improvements.

To promote safety, Mission Elementary School is a closed campus; gates are closed during the school day and visitors must enter through the main office to sign in at the front desk prior to entering school premises. Visitors must present their California ID, and staff must present their district badges. Mission Elementary School offers student supervision before school, during school and after school. Supervision in the mornings is done by the administrative team, support team and proctors. Recess duty supervision is offered by teachers and proctors. Adult proctors supervise lunch and lunch recess. After school supervision is offered by the administration team, support staff as well as teachers.

The district governing board has adopted cleaning standards for all schools in the district and Mission School is maintained in a manner that assures it is clean and in good working order. The principal works with the three-member custodial staff to develop cleaning schedules to ensure all classrooms, offices, and restrooms are cleaned daily, and restroom checks are done periodically throughout the day. Staff and students work together to maintain a clean and orderly school of which all can be proud. The district takes great efforts to ensure that all schools are clean, safe and functional. Site and district maintenance and grounds staff make sure that the work necessary to keep the school in good repair and aesthetically pleasing are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs related to staff and student safety are given the highest priority.

To assist in this effort, the district's Operations Department conducts an annual in-depth evaluation of each school to determine the condition of the facilities and identify situations that need maintenance, repair or an upgrade. The district uses a facility survey instrument developed by the State of California Office of Public School Construction to assist with the data gathering during the inspections. All findings are shared with the principal and work orders for needed repairs are created at that time. The results of this survey are available at the school office or the district office. The latest FIT inspection was last completed December 6, 2022.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Mission has had a long history of strong parent and community relations. Our School Site Council (SSC) is committed to working collaboratively on shared decision making at Mission School. The SSC at Mission School represents the entire school community and must approve the use of school improvement funds, school based coordinated plan, curriculum, budgets, and the multitude of other things needed to provide a successful learning environment for the students. Mission School encourages parents and other members of our community to share their time, knowledge, and abilities, with our students. The Mission SELPAC seeks to inform parents of school and district programs and actively seeks to advise the school staff on concerns that pertain to Mission English Learners. Other than the SSC and SELPAC meetings, Mission School will continue to provide a number of parent workshops throughout the year that will focus on parenting skills, homework, discipline and working collaboratively with the school. Parent workshops are offered at various times and days to accommodate all parents. All workshops are offered in English and Spanish and the school provides childcare to further encourage parent participation. Professional Development

The Ontario-Montclair School District offers research-based, on-going professional development for certificated, classified and management employees aligned with the district's long-term goals. Professional development is designed to help employees enhance their knowledge and develop needed skills to provide quality services in order to maximize student learning and achievement. Professional development courses and programs are developed and coordinated through the district's Robert Hardy Professional Development Center as well as at each school site. The focus of all professional development is based on the instructional and management priorities outlined in the goals and objectives of our strategic and school improvement plans and is based on analysis of student data. Professional development at the site and district levels address the core curriculum, instructional strategies, standards-based instruction, social-emotional learning, and classroom management. In addition, district level professional development includes workshop sessions and classroom support for beginning teachers (induction), courses for teachers working towards on their teaching credentials, support for veteran teachers through the Peer Assistance and Review program (PAR), technology training and classroom support, leadership development for administrators, compliance related workshops and a variety of job-specific and mandated trainings for classified employees. OMSD has several sustained initiatives including NGSS, Wonders, Eureka, QTEL, HSS, and PBIS. Coaches are trained by the district to provide ongoing support at each site to ensure and support the correct implementation in each classroom. All Mission teachers attend Structured Teacher Planning Time meetings with the Site Instructional Support Team to assist in providing the best academic program for our students. Instructional decisions are made based on the analysis of current data from various assessments using Panorama.
