

Vernon Middle School

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Vernon Middle School
Street	9775 Vernon Avenue
City, State, Zip	Montclair
Phone Number	909-624-5036
Principal	Kim Medeiros-Tovar
Email Address	kim.tovar@omsd.net
School Website	www.omsd.net/vernon
County-District-School (CDS) Code	36-67819-6036420

2023-24 District Contact Information

District Name	Ontario-Montclair School District
Phone Number	(909) 459-2500
Superintendent	Dr. James Q. Hammond
Email Address	info@omsd.net
District Website	https://www.omsd.net

2023-24 School Description and Mission Statement

The mission of Vernon Middle School, a diverse community, is to inspire and empower our students to become life-long achievers through a shared commitment to a superior education. This year, Vernon Middle School is celebrating its 66th year of serving students in the Ontario-Montclair School District. Vernon is a leader in technology innovations for instruction. All teachers and administrative staff are issued laptop computers which access a school-wide wireless network. All academic classrooms are equipped with Interactive Projectors and document cameras (digital overhead projectors). Vernon has four sections of AVID and continues to provide a successful program with about 90 AVID students. Vernon is also an AVID Demonstration school. Vernon is a District leader in offering electives in the visual and performing arts. We offer over 30 sections of electives and are coordinating with Buena Vista Magnet school for visual and performing arts to provide additional services. The Vernon staff is dedicated to meeting the academic and sociological needs of early adolescents. The staff works hard toward providing appropriate activities to enhance the academic, personal and social development of each student. Vernon employs student services counselor, outreach consultant, and student and family outreach assistant to identify individual student needs and provide interventions and enrichment opportunities to give students every opportunity to reach their potential. Vernon students are provided with many opportunities to excel and achievements are recognized in a variety of activities, including recognition assemblies, performing arts, and athletic competitions. To continue to meet our goal of reductions in office discipline, the Administration and our Campus Mentors/Security oversees all student behavior management issues. We have also added an Alternative Learning Center to support students with any behavior challenges. Additionally, Vernon implemented PBIS (Positive Behavior Intervention Support) school wide and will continue and expand this implementation in the upcoming school year. We achieved a Silver Medal for PBIS implementation in 2016-2017 and a Gold Medal recognition for the 2017-2018, 2018-2019, 2021-2022, and 2022-2023 school years. As a district-wide initiative, teachers have and will continue to receive professional development with Common Core Standards and Smarter Balanced Assessments. The i-ready diagnostics in ELA and math took the place of the district created benchmarks. The data from these assessments are used to inform instruction.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 7	314
Grade 8	293
Total Enrollment	607

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	46.8%
Male	53.2%
American Indian or Alaska Native	1.5%
Asian	1.8%
Black or African American	3%
Filipino	0.7%
Hispanic or Latino	88.8%
Native Hawaiian or Pacific Islander	0.5%
Two or More Races	0.7%
White	3.1%
English Learners	21.6%
Foster Youth	0.5%
Homeless	2.3%
Socioeconomically Disadvantaged	89.3%
Students with Disabilities	16.3%

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	29.10	92.38	847.80	91.38	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	6.00	0.65	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	13.80	1.49	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.10	3.78	6.00	0.65	12115.80	4.41
Unknown	1.10	3.78	54.10	5.83	18854.30	6.86
Total Teaching Positions	31.50	100.00	927.80	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	30.30	92.10	888.80	90.57	234405.20	84.00
Intern Credential Holders Properly Assigned	0.90	3.01	5.90	0.61	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.20	0.61	17.50	1.78	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.30	4.22	9.70	0.99	11953.10	4.28
Unknown	0.00	0.00	59.30	6.04	15831.90	5.67
Total Teaching Positions	32.90	100.00	981.40	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.20
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.20

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.60
Local Assignment Options	1.10	0.80
Total Out-of-Field Teachers	1.10	1.30

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Year and month in which the data were collected		August 2023	
Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	6-8 Collections (Houghton Mifflin Harcourt - Adopted 2016)	Yes	0%
Mathematics	K-8 Eureka Math *(Great Minds) – Adopted 2015 and in 2018 for Dual Immersion programs.	No	0%

	*K-8 mathematics materials were selected by OMSD stakeholders to adopt due to the level of rigor of the program and a strong alignment with the California State Standards.		
Science	6-8 California Inspire Science-Preferred Integrated (McGraw Hill) - Adopted 2019	Yes	0%
History-Social Science	6-8 My World Interactive (Pearson) - Adopted 2018	Yes	0%
Foreign Language	Beginning Spanish, Vista Higher Learning, Senderos. Adopted 2022 Spanish for Native Speakers, McDougal Littell, Tu Mundo, 2008, adopted July 2008 *Spanish II S, High School Credit Course, Vista, Imagina, 4th Edition, adopted May 2020 - *Not from the most recent state adoption.	Yes	0%
Health	K-8 Focus on You (Charles Merrill Publishing) - Adopted 1984	No	0%
Visual and Performing Arts	6-8 Middle School Art Series (McGraw-Hill) - Adopted 2008	Yes	0%
Science Laboratory Equipment (grades 9-12)	N/A	N/A	0%

School Facility Conditions and Planned Improvements

Vernon Middle School first opened in 1957 as Vernon Junior High School. The school has 28 regular and 12 portable classrooms on the campus (one of the 12 is owned by the county and is not accessible to Vernon staff/students). Five of the portables were installed prior to 1990 and the rest were added in 2001-2002. A recent addition to our campus includes a new facility (gym, makerspace, and multimedia lab) August of 2019. Vernon has a small multi-purpose room (500 max. occupancy), an administration building that houses our school psychologist, a staff workroom/meeting room, a room which houses our attendance clerk and our school records assistant, a library, and a kitchen facility operated by OMSD food services department. Vernon serves two SDC/mod-severe classrooms, two SDC/mild-moderate classrooms, and RSP inclusion. A small room houses our Special Education files. We have a room that houses the counselor and outreach consultant. This room is for IEPS and any SST/COST meetings. Another small room is used by our speech therapist. the ASES after-school program also has access to a a small room. There are no current or planned facility improvements.

To promote safety, Vernon Middle School is a closed campus; gates are closed during the school day and visitors must enter through the main office to sign in at front desk prior to entering school premises. Visitors must present their California ID badges and staff must present their district badge through our RAPTOR system. Signage has been placed at all gates directing visitors to check in at the office. All staff members have been provided with district ID badges. Vernon offers student supervision before school, during school and after school. Supervision in the mornings is done by administrative team, support team, and proctors. Lunch supervision is offered by administrative team, support team, and proctors. After school supervision is offered by administration team, support staff as well as teachers, and proctors. Students enter school in the morning through a gate next to the Multipurpose room. Students are monitored entering this gate by the Principal, Assistant Principal, Campus Mentors and Campus Safety Officer. Students congregate at the covered lunch shelter area until the bell rings at 7:55 to go to classrooms. Breakfast is available through the Food Services staff in the lunch area. Five other staff members are assigned duty before school to monitor students at the school entrance and in the areas where students congregate. Vernon students are divided into two 30 minute lunches which are supervised by the Principal, Assistant Principal, Campus Safety Officer, proctors, and the campus mentors. We also employ five proctors to help supervise during the lunch periods. After school, students must exit at the gate next to the multipurpose room or a gate on the north side of campus. Students are given 10 minutes to exit campus. Any remaining students are escorted to a waiting area just west of the office to wait for parent pick-up. Five staff members are assigned duty as well as the principal, assistant principal, campus safety officer, and support team to monitor student activity as they exit the campus. All gates to the campus are locked during school hours, except the gate at the entrance to the administration building. All visitors must sign in at the front office and are issued a visitor pass to wear.

Ontario-Montclair School District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The Ontario-Montclair School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the Ontario-Montclair School District uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available at the school office or Ontario-Montclair School District office. The LEA governing board has adopted cleaning standards for all schools in the Ontario-Montclair School District. A summary of these standards is available at the school office or at the Ontario-Montclair School District office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. OMSD participates in the state's School Deferred Maintenance Program, which provides state matching funds in order to assist schools with the expenditures for major repairs and upgrades. Typically, this includes the following: roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor, and carpeting. Each year the district matches the required allotment set by the state in order to participate in the deferred maintenance program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	44	41	40	40	47	46
Mathematics (grades 3-8 and 11)	17	23	26	30	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	605	595	98.35	1.65	40.84

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Socioeconomically Disadvantaged	338	336	99.41	0.59	19.40
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	94	94	100.00	0.00	5.38

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 7	97.7	99.7	99.7	99.3	99.7

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Vernon Middle School encourages meaningful parental involvement through programs and services that stimulate student motivation, success, and emotional support. Parents are encouraged to join Vernon's School Site Council (SSC). School Site Council is the decision-making body for their involvement in the planning, review, and improvement of categorical programs such as Title 1, At-Risk, and English Learner Programs. Parents of English Learners are invited to join Vernon's Site English Language Parent Advisory Committee (SELPAC), which is the advisory group for ensuring the progress of English language development for English Language Learners. We also hold regular meetings for Gifted and Talented Education (GATE) parents and parents for our Students With Disabilities (SWD). We offer a Coffee with the Principal as a way for parents to dialogue with the administration and to learn about new opportunities at Vernon. Our Outreach Consultant (ORC) and Student Family Outreach Assistant (SFOA) support with parent workshops, volunteer opportunities, and outreach services. Our Vernon VAPA Booster Club is an active parent group that fundraises for activities and incentives for students in The Arts Conservatory at Vernon. All parents have access to School Loop as a way to monitor student progress, communicate with teachers, and to stay connected with Vernon. Parents are always welcome at our school site.

2023-24 School Safety Plan

Vernon Middle School maintains a safe and clean environment, both on the school grounds and in the classrooms. Students are regularly supervised before, after, and during school hours by staff and administration. We greet all of the students in the morning and they are required to enter through one main entrance. During the day, all main gates are locked and students are required to enter through one entrance that leads to our main office. Our Campus Safety Officer regularly checks all gates, hallways, and restrooms throughout the day. He also provides supervision before school, during passing periods, throughout class periods, lunches, after school, and special events. All visitors must sign in at the front office using the Raptor system and wear a visitor's identification tag if moving to any other area of Vernon's campus. The school safety plan is reviewed annually and updated by the Principal and the safety committee. The plan is reviewed with the staff annually at a staff meeting prior to the opening of school each year. The plan was last updated in July 2023. The School Safety Planning Committee meets to review and update the safety plan. Key elements of the plan include:

1. A disaster preparedness plan with identified personnel and assigned teams
2. Ten scheduled disaster preparedness drills
3. School rules and discipline procedures communicated in each students' agenda book
4. Staff training reviewing the current behavior management and safety systems

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	22	11	18	
Mathematics	26	4	18	
Science	26	6	16	
Social Science	24	8	16	

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	13	18	
Mathematics	23	10	17	1
Science	25	5	16	2
Social Science	22	13	13	

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	9	22	1
Mathematics	26	3	25	0
Science	26	2	20	1
Social Science	26	2	20	1

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	303.5

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	2
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	1

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	10,250	2,601	7,648	120,174
District	N/A	N/A	1608.0	\$94,232
Percent Difference - School Site and District	N/A	N/A	130.5	26.1
State	N/A	N/A	\$7,607	\$89,574
Percent Difference - School Site and State	N/A	N/A	14.8	31.7

Fiscal Year 2022-23 Types of Services Funded

Vernon is a school-wide Title 1 school. Our school site council and leadership team determine which services are needed and prioritize these different categorical funds to provide programs that will best benefit our school population. Services provided by these funds include: a teacher on assignment for Special Education, one student services counselor, one outreach consultant (ORC), two Student Family Outreach Assistants (SFOA), one instructional coach, two intervention teachers, one bilingual instructional assistant, one instructional assistant, one mentor, and clerical support staff. Funds from categorical grants also fund several technology advancements in language arts and math classrooms such as interactive whiteboards and digital document projectors. These are all technology supported academic programs to increase student achievement in language arts and math. These funds also provide for staff development opportunities and Professional Learning Community training for teachers. These programs help Vernon achieve its goals for staff development and student achievement. In addition, categorical funds provide for additional instructional supplies such as supplemental reading materials and classroom computers. Categorical funds were used to support classrooms with technology and instructional materials to meet the needs of intensive level reading students. These types of services are monitored by our School-Site Council and our Site English Learner Parent Advisory Committee (SELPAC) to make sure students are being served according to our strategic plan and that parents are being involved in all decision making processes and communicated with on a regular basis.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$51,330	\$54,215
Mid-Range Teacher Salary	\$91,294	\$86,843
Highest Teacher Salary	\$110,117	\$111,440
Average Principal Salary (Elementary)	\$145,803	\$140,851
Average Principal Salary (Middle)	\$149,251	\$147,065
Average Principal Salary (High)	\$0	\$142,189
Superintendent Salary	\$334,284	\$252,466
Percent of Budget for Teacher Salaries	36.06%	33.16%
Percent of Budget for Administrative Salaries	5.98%	5.15%

Professional Development

Vernon Middle School offers research-based, on-going professional development for certificated and classified employees aligned with the district's initiatives. Professional development is designed to help employees enhance their knowledge and develop needed skills to provide quality services in order to maximize student learning and achievement. Professional development courses and programs are developed and coordinated through the SIST team and PLC Leadership team which has worked to offer staff differentiated staff development for the last five school years. The focus of all professional development is based on the August 2023 instructional priorities outlined in the goals and objectives of our Leadership Team and by the needs expressed by both our classified and certificated employees. Professional development at the site level addresses the core curriculum instructional delivery through WICOR instructional strategies, standards-based instruction, and classroom management. In addition, the site level professional development includes workshop sessions and classroom support for teachers, support for beginning teachers through the district's induction program, courses for teachers working towards their teaching credentials, technology training and classroom support, compliance related workshops and a variety of job-specific and mandated trainings for classified and certificated employees. Vernon has several sustained initiatives that are aligned with the OMSD's long-term goals and initiatives which include preparation for the implementation of the CCSS and SBAC testing. All certificated employees have received training in close reading strategies, dialogic talk, positive behavior intervention supports, and AVID strategies. Vernon's Instructional coach is trained by the district to provide ongoing support for our site to ensure and support the correct implementation in each classroom. Professional Development occurs two Tuesdays a month from 1:00-2:30. One Tuesday is devoted to training; the other is typically devoted to Professional Learning Committees or AVID Training. Generally, what is learned at the training Tuesday, is discussed and implemented at the PLC Tuesday. The main focuses for staff development this year has been on using AVID strategies and Kagan structures to increase student collaboration and instructional growth. Over the last four years of professional development the focus remains on preparing teachers for the implementation of Common Core State Standards and the creation of our PBIS system. Substitutes are provided for Math, Language Arts, Science, and Social Studies teachers after their standards-based benchmark tests, to analyze student progress toward overall school and district goals. Release time is also provided for PLC teams to plan and create Common Core lessons together. Teachers carefully monitor individual ELL and Special Needs students to determine not only their progress but to discuss and plan for student-specific interventions. Through the PLC and data analysis process, teachers determine their specific department's needs, including such things as subject-specific training, lesson studies, and sharing best practices. The site instructional coach has provided teacher support on the use of our data system "Illuminate" and the i-ready diagnostic. Teachers have direct access to up-to-date data for individual, class, and grade level students. Through the use of Illuminate software, i-ready data, and scanning cameras, teachers and students get instant results on teacher made, benchmark, and common assessments. Additional training is provided by OMSD for teachers teaching ILit, AVID, and Integrated Mathematics. PLC lead teachers attend monthly training on the implementation of school-wide PLC's. The Administrative Team attends most of the meetings mentioned above.

This table displays the number of school days dedicated to staff development and continuous improvement.
