## 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

<b>Admission Requirements for the University of California (UC)</b>	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
<b>Admission Requirements for the California State University (CSU)</b>	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <a href="https://www2.calstate.edu/">https://www2.calstate.edu/</a> .

### 2024-25 School Description and Mission Statement

All learners who come to Euclid Elementary School, a multilingual and multilingual learning community, are empowered to acquire and develop lifelong skills and knowledge necessary to problem solve creatively, think critically, communicate effectively, and collaborate globally, in a safe, respectful and healthy environment.

Our Mission at Euclid Elementary School, a united educational community, is to guarantee all students success in achieving their life long goals through academic excellence.

Vision for our Euclid Scholars: Empowering and inspiring tomorrow's leaders

## 2024-25 School Description and Mission Statement

Euclid Elementary School offers a high-quality education focusing on the skills of collaboration, communication, critical thinking and creativity. The mission of Euclid School, a united educational community, is to guarantee all students success in achieving their life long goals through academic excellence.

Euclid Elementary offers a Dual Language Immersion Program in Spanish. Students in our Dual Language Immersion Program are taught in the 90/10 model. Our goal s for students in the Dual Language Program to become bi-literate, bilingual, and bicultural in Spanish and English. Currently our Dual Immersion program is from Kindergarten to 6th grade.

Euclid Elementary continues the exciting journey of strengthening our systems in behavior and academics with the end goal of increasing student achievement. By aligning our Multi-Tiered System of Supports, our scholars will reach new heights in their advancement. The MTSS leadership team at Euclid Elementary will collaborate with partners in education to develop proactive, systematic, inclusive learning environments to ensure academic, behavioral, and socio-economic success for ALL students, utilizing research-based practices and multiple measures of data.

Euclid Elementary is proud to be awarded Platinum PBIS Designation for Positive Behavior Intervention and Supports.

## School Facility Conditions and Planned Improvements

Euclid Elementary School was constructed in 1938 with 15 permanent classrooms and 14 portables. Over the years, portable classrooms have been added to accommodate the growth of student population. Our campus consists of Multi-Purpose building, staff lounge, staff workroom, resource support program room, speech room, and several small rooms used as offices as well as used for student testing. All of our Kindergarten classrooms have access to restrooms. There are boys' and girls' restroom for both primary and upper grades in addition to adult restrooms near the office. We have one playground and separate recess times for kindergarten students, primary (1-2) middle grades (3-4) and upper grade (5-6) students. The playground is clean and features shade under trees and wood chips. Additionally, there is a large grass field for soccer and/or softball along with basketball courts. There are no current or planned facility improvements this year.

Euclid School offers student supervision before school, during school and after school. Supervision in the mornings is done by administrative team, support team, and Proctors. Recess duty supervision is offered by teachers, and Proctors. Proctors supervise lunch and lunch recess. After school supervision is offered by administration team, support staff as well as teachers. Euclid School is a closed campus; gates are closed during the school day and visitors must enter through main office to sign in at front desk prior to entering school premises. Visitors must present their California ID badges and staff must present their district badge through our RAPTOR system. Signage has been placed at all gates directing visitors to check in at office. One full-time Euclid proctor supports during all school hours to prioritize safety; doors, gates, and visitor checks.

The district maintenance department maintains an active facilities inspection and repair system through work orders to ensure that all Ontario-Montclair schools are clean, safe and functional. District maintenance staff ensures that all repairs necessary are addressed and completed in timely manner. Emergency repairs are given the highest priorities to ensure that the educational process continues without interruptions to student learning.

The most recent Facility Conditions Evaluation was conducted on October 16, 2024, via Facility Inspection Tool (FIT).

Euclid Elementary has three custodians; they as well as the entire Euclid staff are keenly aware of the need to provide a clean, safe and orderly environment campus for students, staff and families. The custodians are supervised by a district operations manager. Euclid Administration work collaborative with custodians and staff to ensure the safety and cleanliness of the school. Custodians have a cleaning schedule and outlined duties during their shift that reflect daily, weekly, and monthly cleanings as well as deep-cleaning schedules during winter, spring and summer breaks. An aesthetically clean school supports a better learning environment for all. An Aesthetically clean school supports a better learning environment for everyone. Additionally, the site regularly submits and monitors work orders as need to repair or replace any damage or broken equipment.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

<b>Mathematics</b> (grades 3-8 and 11)	21	27	30	31	34	35

## 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2024-25 Opportunities for Parental Involvement

We value Parent Involvement! Euclid School strives to provide personal excellence for all of our scholars through a home-school partnership committed to high academic and social standards. We work in a partnership with our parents and families to best support our scholars. Opportunities for parental involvement include:

Parent Volunteer Trainings, for parents to assist in classrooms, PBIS Student store, and be partners in school community. Euclid School also hosts monthly Coffee with the Principal meetings to learn strategies that can be used at home. Additionally, our parents participate in School Site Council (SSC) Meetings as well as School English Parent Advisory Council (SELPAC), Gifted and Talented Education (GATE), and Special Education Parent meetings. We have a variety of district parent representatives such as District Advisory Parent Council, District English Learners Parent Council (DPAC), District English Learners Parent Advisory Council (DELPAC). Moreover, Euclid Elementary hosts several evening events where all students and families are invited to attend such as: Back to School Night, Math Night, Reading Night, Parent-Teacher Conferences (Fall and Spring), Read Across America, Harvest Festival, Craft Night, Parent Leadership conferences. We also boast a strong Parent-Teacher Organization, (PTO) that supports our school and is highly visible on campus working in partnerships with teachers, staff, and administration to support our school community. As a result, we have several incentives as rewards for students, planned fieldtrips and engaging opportunities for families.

All parents are encouraged to take part in the many parental involvement opportunities at Euclid Elementary. Any questions regarding Parental Involvement Opportunities, Please contact: Irene Barrera, Counselor-Outreach Consultant - (909) 984-5119 or the school office.

## Fiscal Year 2023-24 Types of Services Funded

During the 2022-2023 School year, the site fund budgets, including Title I funds, were spent on the following programs and student services:

Our budget allows and prioritizes professional development opportunities for teachers to have on site or attend training and/or conferences, such as the California Bilingual Education (CABE) conference.

Additionally, funds are utilized for Salary and benefits for Dual Language Magnet Coordinator, School Mentor, as well as salaries of classified personnel as well as translation/interpreter services.

Moreover, funds are used to provide certificated substitutes when needed. For instance, for opportunities for teachers to plan and prepare with their professional learning communities.

Also, funds are used for classroom supplies and instructional materials including technology (Laptops, Chromebooks, Document Cameras).

Supplies needed for office, health, and custodial support services are also ordered and purchased for students and staff. Repairs and contracts for copy machines are updated annually, and motivational incentives for students are also made

## Professional Development

Euclid Elementary School provides professional development to teachers throughout the school year. On an average, Euclid teachers attend over thirty (30) hours of professional development sessions during the school year. This has been the case for the recent five years. Delivery of staff development can take place during Tuesday's staff meeting dates on student-minimum days for approximately 60-90 minutes. The delivery method for professional development occurs regularly on staff meeting dates or structured-teacher planning dates with Administrators, Instructional Coach, Administrators, Counselor- Outreach Consultant and Euclid's Dual Language Coordinator. Teachers also have the opportunity to attend District-led professional development as well as off-site professional development during non-contract days for extra compensation.

Teachers are also available to attend Spotlight visits, where they can observe mentor teachers teaching instructional strategies where they may need supports in.

The primary /major areas of focus for staff development for the last three years have been the following focused on improving instructional strategies, Writing, Math, student engagement, as well as creating a safe, and orderly environment on our campus. Student achievement data as well as data gathered from formal and informal walk throughs has been taken in consideration in order to improve student achievement for all of our Euclid students.

State test assessment has guided English Language Arts as well as Math professional development that our teachers have received at the district level trainings. Primary topics of PD over the last three years have been implementing the teaching of the common core state standards, close reading, constructive responses, writing, Eureka Math, ELD, Thinking Maps, Socratic Seminars, Quality Teaching for English Learners, and Kagan Cooperative Learning.

Additionally, staff receives professional development in Positive Behavior Interventions and Supports (PBIS). All instruction is supported by Administrators and an Instructional Coach.

Instructional Coach delivers Professional Development and conducts Coaching Cycles with individual teachers of entire PLC team and is also accessible for immediate instructional support upon request.

Teachers also attend Data Meetings and receive staff development from our Instructional Coach and or our Dual Language
