Ontario-Montclair School District Hosts Parent Educational Center Open House

Established in 2011, the Ontario-Montclair School District's (OMSD) Parent Educational Center (PEC) is a dedicated location for parents/guardians serving as a resource center, classroom and meeting area. The Center has a continuous and planned schedule of classes to accommodate educational needs at all levels. It encourages adults to continue and expand their learning, advance professionally, and promote higher self-esteem, as well as enhance their student's development.

New to OMSD is Coordinator Rosa Vasquez. Mrs. Vasquez is a proven strong leader in Parent Engagement and is a welcomed addition to the PEC.

OMSD is hosting an Open House at their Parent Educational Center on Monday, September 28, 2015 at 10:00 a.m. The Parent Educational Center is located at the Linda Vista Full Service Community School, 1556 South Sultana Avenue, Ontario.

The Open House will begin with opening remarks at 10:00 am at the Linda Vista Multipurpose Room and conclude with a tour of the Parent Education Center from 11:00 am to 11:30 am.

The District will have the honor of presenting certificates to parents who have completed the *Plazas Comunitarias* elementary and secondary education program offered in partnership with the Mexican Consulate, as well as welcoming other distinguished guests to our district.

"OMSD is committed to providing our students a world-class education, as well as, supporting our parents in their educational and personal growth. Our Parent Educational Center is a safe environment for our parents to meet, attend classes and expand their ability to support their children at home." stated Board President Maureen "Moe" Mendoza.
