## **Ontario-Montclair School District to Open on August 7, 2020 Under an Online Learning Model**

Ontario-Montclair School District Superintendent (OMSD) Dr. James Q. Hammond announced that all OMSD students and staff will begin the 2020-2021 school year under an online learning model.

The OMSD online learning model maintains the same high-quality instruction from teachers using the District's adopted curriculum, state content standards, and interventions for students needing additional help. Parent and teacher partnership, communication and commitment is essential in this model. Students in this model will learn remotely from home and be connected via a computer or District-issued Chromebook for daily instruction and feedback.

Please see attached letter from Superintendent Dr. Hammond for more details.
