## PBIS Award

### Ramona Receives Platinum Award

Once again, Ramona has received the PBIS Platinum award for the 2020-2021 school year. Implementing our PBIS program during online learning was a difficult task. Our staff and students did

a fantastic job of showing our behavior expectations by being safe, responsible, and respectful throughout the year. We are proud of the school community that we have built and are looking forward to striving for another Platinum award this year.
