Local Control Accountability Plan (LCAP)

The Local Control Funding Formula (LCFF) provides funding for districts and schools. LCFF requires school districts to focus on the eight key areas (priorities) and review and update a Local Control Accountability Plan (LCAP):

1. Basic Services
2. Implementation of State Standards,
3. Parent Involvement
4. Student Achievement
5. Student Engagement
6. School Climate
7. Course Access
8. Other Student Outcomes.

The 2021-2022 LCAP review and update depends on the input of our community, parents, students, teachers, other school personnel, bargaining units, administrators, tribal, and advocacy groups. In partnership with our multiple community groups, we need your feedback on the following questions! Please complete this survey no later than January 24, 2022. Using your smartphone, use the QR code to access the survey. You may also pick up a survey at your child's school, from the District Office (Receptionist), or via email at LCAP@omsd.net.
