12. If the LEA receives more than \$500,000 in Title I funds, it will reserve at least one percent of the allocation to carry out ESEA Section 1118, Parent Involvement, including promoting family literacy and parenting skills. The LEA then will set aside an amount for parental involvement of parents of private school children, based on the proportion of private school children from low-income families residing in Title I attendance areas. The LEA will then distribute at least 95 percent of the remainder to its public schools, leaving the balance of the reserved funds for parental involvement activities at the LEA level.
13. Inform eligible schools and parents of schoolwide program authority and the ability of such schools to consolidate funds from Federal, State, and local sources.
14. Provide technical assistance and support to schoolwide programs.
15. Work in consultation with schools as the schools develop the schools' plans pursuant to Section 1114 and assist schools as the schools implement such plans or undertake activities pursuant to Section 1115 so that each school can make adequate yearly progress toward meeting the State student academic achievement standards.
16. Fulfill such agency's school improvement responsibilities under Section 1116, including taking actions under paragraphs (7) and (8) of Section 1116(b).

17. Provide services to eligible children attending private elementary schools and secondary schools in accordance with Section 1120, and timely and meaningful consultation with private school officials regarding such services.

19. In the case of an LEA that chooses to use funds under this part to provide early childhood development services to low-income children below the age of compulsory school attendance, ensure that such services comply with the performance standards established under section 641A(a) of the Head Start Act.
20. Work in consultation with schools as the schools develop and implement their plans or activities under sections 1118 and 1119 and California *Education Code* Section 64001.

24. Ensure, through incentives for voluntary transfers, the provision of PD, recruitment programs, or other effective strategies, that low-income students and minority students are not taught at higher rates than other students by unqualified, out-of-field, or inexperienced teachers.
25. Use the results of the student academic assessments required under Section 1111(b)(3), and other measures or indicators available to the agency, to review annually the progress of each school served by the agency and receiving funds under this part to determine whether all of the schools are making the progress necessary to ensure that all students will meet the State's proficient level of achievement on the State academic assessments described in Section 1111(b)(3) within 12 years from the baseline year described in Section 1111(b)(2)(E)(ii).

26. Ensure that the results from the academic assessments required under Section 1111(b)(3) will be provided to parents and teachers as soon as is practicably possible after the test is taken, in an understandable and uniform format and, to the extent practicable, provided in a language or other mode of communication that the parents can understand.
27. Assist each school served by the agency and assisted under this part in developing or identifying examples of high-quality, effective curricula consistent with Section 1111(b)(8)(D) and California *Education Code Section 64001*.
28. Ensure that schools in school improvement status spend not less than 10 percent of their Title I funds to provide PD (in the area[s] of identification to teachers and principals) for each fiscal year.
29. Prepare and disseminate an annual LEA report card in accordance with Section 1111(h)(2).
30. Where applicable, the applicant will comply with the comparability of services requirement under section 1120A(c). In the case of an LEA to which comparability applies, the applicant has established and implemented an agency-wide salary schedule; a policy to ensure equivalence among schools in teachers, administrators, and other staff; and a policy to ensure equivalence among schools in the provision of curriculum materials and instructional supplies. - The LEA will comply with Section 9501 (regarding participation by private school children and teachers).

 - Will be submitted to the SEA at the time and in the manner requested by the SEA.

Additional LEA Plan Assurances

46. Unsafe School Choice Policy: the LEA assures that it will establish and implement a policy requiring that a student attending a persistently dangerous public elementary school or secondary school, as determined by the State, or who becomes a victim of a violent criminal offense, as determined by State law, while in or on the grounds of a public elementary school or secondary school that the student attends, be allowed to attend a safe public elementary or secondary school within the LEA, including a public charter school.
