

## THE OFFICIAL NEWSLETTER OF SULTANA SPORTS & SCIENCE ACADEMY

### A NOTE FROM THE PRINCIPAL...

Dear Sultana Families,

Our main office is open again for families to stop by every Monday to Friday from 8:00-3:30. Continue to wear a mask, maintain social distancing, and engage in all the behaviors that we are now so accustomed to.

Our superintendent, Dr. Hammond, has established Monday, April 5th as the target for when students will return to in-person learning! If the COVID cases continue to decline and everything else continues on a positive trajectory, we will have students in their classroom on that date.

Look for a survey to go out soon that will ask for your preference of in-person or online learning once we get to April 5th. This is exciting news, and we can't wait to see students soon! Thank you for continuing to persevere and for your commitment to working together as a community.

Join us for Cafecito/Coffee with the Principal on **Friday, March 19th**. Parents in attendance stay up to date with Sultana happenings. See you on Zoom!

### SEL Focus of the Month

#### **RELATIONSHIP SKILLS: Relationship Building and Teamwork**

During the month of March, your child's SEL instruction will dive deeper into **Relationship Skills** through relationship building and teamwork. Students will learn how to establish and maintain healthy relationships with diverse individuals and groups, and how to accomplish a common goal within a team through individual roles and responsibilities.

#### **Tdap Immunization**

All students in 6th grade are required to have proof of a whooping cough booster (**Tdap**). We need proof of Tdap for your son or daughter by April 23, 2021.
