

SULTANA SPORTS & SCIENCE ACADEMY NEWSLETTER

A NOTE FROM THE PRINCIPAL...

Dear Sultana Families,

I would like to commend our Boys and Girls Basketball teams for their participation in last week's tournament. They played hard and did a great job.

Next, we will be developing our Boys and Girls Soccer Teams try-outs and practices. Look out for that information soon.

During the month of October, there will be many school and district assessments in the area of Math and English-Language Arts. Please be sure your student gets a good night rest each night, eats a healthy breakfast, and arrives to school on time each day so they can demonstrate their learning to the very best of their ability.

Should you have questions, comments, or concerns at any time, please do not hesitate to contact me or attend one of our many parent meetings. Sultana family voices are essential in providing the best in learning for our students.

Respectfully,
Adriana Melgoza,
Principal
