July 3, 2025

Dear Ontario-Montclair School District Staff and Families,

As we continue through the summer months, we want to remind our Ontario-Montclair School District (OMSD) community that even though our school campuses are currently closed, our care and commitment to your well-being remains strong.

In support of these efforts, we are launching a **24-hour** resource line, the **OMSD Resource & Support Line at (909) 459-9894**. This line is available to students, staff, and families. Through the resource line, we can connect you to resources related to food insecurities, shelter, counseling, or general questions and support services during the summer—any time, day or night. **This line will be available from July 5, 2025 through August 5, 2025.**

We understand that these are challenging times for many in our community. The current climate has created uncertainty and concern for some families, and we recognize that this may impact the participation level at District/Community events and activities. Please know that our Board of Trustees and District staff are cognizant of the myriad of needs and circumstances our families and community may experience. Therefore, we wanted to provide an additional resource for our OMSD community through the 24-hour phone line. Your safety and peace of mind remains our priority.

We continue to deeply value your involvement in our programs and District events, and we remain committed to representing and serving every member of the OMSD family.

With gratitude and respect,

  
Superintendent Dr. James Q. Hammond
