October 2020

## *Message from Mr. Ramirez*

As we enter into our third month of online learning, I want to thank you for your patience, unconditional support, and perseverance throughout each day. I have an opportunity every week to visit our classrooms, and I am so proud of the work that our students and teachers are doing. It has been difficult teaching online, but our students are participating and our teachers are engaging them in rich, meaningful learning experiences.

I realize that many of you are eager to have students return to campus, but we will be able to return to in-person learning once conditions allow. Our superintendent, Dr. Hammond, outlined what must happen in his last newsletter that you can view [here](#). In the meantime, we will continue to push forward and provide your children with the best learning experience possible.

Sincerely,

Mr. Ramirez  
Principal

## *School Safety Awareness Month*

October is School Safety Awareness Month! In acknowledgement of the importance of a collaborative approach to addressing school safety, the OMSD Board of Trustees adopted a resolution recognizing October as School Safety Awareness Month.

As a community we can partner together to ensure student safety. Whether online or in person, if you "hear something" or "see something", then make sure you "say something".

## *Picture Day*

Picture day (optional) is coming up on 10/12 and 10/13! Look for details as to how you can bring your child to take pictures.
