

HAPPY 125TH OMSD!

This year marks the 125th Anniversary of the Ontario-Montclair School District. We are planning a celebration of our schools by participating in the annual Ontario 4th of July Parade along Euclid Ave. Watch for more information regarding this event in the future. *Happy Birthday to Us!*

In the Beginning . . .

On September 15, 1884, 20 children walked upstairs to the loft of George McIntyre's carpenter shop, located near C Street and Euclid Ave., making it a classroom of sorts, and the Ontario School District officially began offering instruction.

After the first school year, expenditures totaled \$49.18 for a four-month period. The expenditures did not include \$10 monthly rental of the McIntyre loft and \$50 a month for one teacher, Miss Jamie N. Case.

Central School Opens

The district's first school, Central School, a two-story, wooden-framed structure, was built in 1896 and was located on 'G' and Sultana.

Central School built in 1896 and lasted until 1912.
