

ACADEMY, MAGNET & DISTINCTIVE PROGRAMS

The Ontario-Montclair School District (OMSD) is proud to offer a variety of programs to the families of our community. Each program offers a specialized curriculum appealing to students and families who have an interest in the specific area. To assist families in deciding if one of these program options is best for their student, in the winter months several Parent Information Meetings are scheduled at each school. Applications for the programs are available at the parent meetings and at the school sites listed below. Enrollment in a program will be based upon a completed application and the number of available seats at the selected sites. In the event that completed applications received exceed the number of seats available, a random public drawing will be held. Please feel free to call the school sites or visit their individual school site webpages should you require additional information.

ARROYO ELEMENTARY SCHOOL

1700 E. 7TH ST., ONTARIO
(909) 985-1012

Arroyo Elementary School, an International Baccalaureate World School, offers the Primary Years Program (PYP) for students in Kindergarten - Fifth Grade. Students learn through inquiry and are encouraged to question and explore to gain new understanding. PYP students think critically through trans-disciplinary units of study and develop as balanced, caring individuals who are inquirers and thinkers, taking meaningful action in our community and world. Weekly enrichment classes in the areas of Music, Technology and Research skills, Physical Education, and Spanish Language are provided for our students at Arroyo School.

BERLYN ELEMENTARY SCHOOL

1320 NORTH BERLYN AVE., ONTARIO
(909) 986-8995

Berlyn offers an academically rich program for TK-6th graders utilizing technology as an avenue for learning. Each grade level has specific technology in the classroom as well as access to our Dell and Mac book labs. Our Berlyn Badge program challenges students to learn new technology concepts. We focus on technology skills, positive behavior and higher level thinking strategies to ensure students are engaged in learning to move forward towards college and/or a career.

BON VIEW ELEMENTARY SCHOOL

2121 SOUTH BON VIEW AVE.
ONTARIO (909) 947-3932

Bon View International Baccalaureate (IB) World School serves students in Preschool through Sixth grade. With an emphasis on creating global learners, Bon View provides a rigorous, trans disciplinary instructional program that focuses on inquiry based learning. Our school affords students a variety of enrichment opportunities, including IB Spanish, IB Physical Education, IB Music, IB Library, and IB Computers.

BUENA VISTA ARTS-INTEGRATED SCHOOL

5685 SAN BERNARDINO STREET
MONTCLAIR (909) 984-9556

Buena Vista Arts-Integrated Magnet is a TK-6th grade school that integrates dance, theatre, music, and visual arts throughout the curriculum. Our small learning community and family atmosphere focuses on strengthening skills such as creative expression, problem-solving, team-building, and mathematical reasoning through the exploration of visual and performing arts. Additionally, we offer students a variety of extra-curricular opportunities to explore talents through school-wide performances, theatre productions, choir, dance, photography, and sports.

CENTRAL LANGUAGE ACADEMY

415 EAST G STREET, ONTARIO
(909) 983-8522

Central Language Academy serves students in Kindergarten through 8th grade and specializes in intensive language immersion and multicultural education. All students participate in language rich academic instruction with an option of full or partial immersion in Spanish, beginning in Kindergarten. Once proficient in both English and Spanish, students have the opportunity to learn Mandarin Chinese as a third language.

EDISON ACADEMY OF DIFFERENTIATED LEARNING

515 E. 6TH STREET, ONTARIO
(909) 984-5618

Edison Academy is proud to offer an educational program that provides for critical thinking and real world applications of knowledge through prompts of depth and complexity in all classrooms and grades. Edison offers a fully self-contained GATE program for students in grades 3-8. Edison is a highly desirable school, receiving recognition in the past year from the CAG as a Five Star School, and as an Honor Roll School by the Campaign for Business and Education Excellence.

EUCLID ELEMENTARY SCHOOL

1120 SOUTH EUCLID AVE., ONTARIO
(909) 984-5119

Euclid Elementary School serves TK-6th grade students by offering a high-quality education focusing on collaboration, communication, critical thinking and creativity through Project-Based Learning (PBL). Our students engage in a rigorous academic program that emphasizes learning activities and projects which are long-term, interdisciplinary, student-centered, and service-oriented. Every project focuses on students being engaged in learning skills that are connected to academic standards in creating projects that are meaningful to them and their community.

KINGSLEY CONSERVATORY OF MUSIC

5625 KINGSLEY ST., MONTCLAIR
(909) 984-3634

The Kingsley Conservatory of Music (KCOM) provides opportunities for all students in preschool-sixth grade to learn, perform, and enjoy music. Students as early as first grade take center stage as they perform throughout our community. With a full-time music teacher on staff, music-integrated instruction and vocal and instrumental ensemble groups are a daily occurrence for all students. We invite you to explore the symphony of learning that awaits you here.

MORENO AVID ACADEMY

4825 MORENO ST., MONTCLAIR
(909) 445-1661

Moreno AVID Academy is an AVID elementary school. We started AVID in 2011 and we are now AVID preschool through sixth grade (school-wide). Our teachers and administrators are highly qualified and have received extensive training to learn about the AVID components and strategies to help our students become college and career ready. As an AVID elementary school, we teach our students to become academic scholars through organizational strategies, note-taking skills, inquiry, collaboration, reading, and writing.

ACADEMY, MAGNET & DISTINCTIVE PROGRAMS

RAMONA COMMUNICATION

ARTS ACADEMY

4225 HOWARD ST., MONTCLAIR
(909) 627-3411

Ramona Communication Arts Academy offers self-contained GATE classrooms for grades 3 – 6. Students receive a rigorous curriculum and specialized instruction emphasizing depth and complexity by GATE-certified teachers. All preschool through 6th grade students focus learning around the communication arts. Through writing and technology in every classroom (iPads, Chromebooks, laptops), students are prepared for college and career. Students must be GATE-identified in order to apply for the GATE Academy.

RICHARD E. HAYNES

ELEMENTARY SCHOOL

715 WEST FRANCIS ST., ONTARIO
(909) 984-1759

Richard E. Haynes Elementary School serves students in Transitional Kindergarten through 6th grade. Personal leadership and scholarly behaviors are taught and emphasized so that students learn how to think critically solving real world problems, set personal goals and effectively communicate their ideas both verbally and in writing. We work collaboratively with all stakeholders to make our school a great place where students learn to be *SAFE, RESPECTFUL, and RESPONSIBLE.*

SULTANA SPORTS & SCIENCE ACADEMY

1845 SOUTH SULTANA AVE., ONTARIO
(909) 986-1215

Sultana Sports & Science Academy provides a Preschool through 6th grade safe, responsible, and respectful educational environment where all students engage in innovative standards-based instruction through Project-Based Learning (PBL). Our program offers a holistic approach through rigorous academic enrichment, character development, and participation in school sports and clubs. Students enhance their creativity, critical thinking, communication, and problem-solving skills to develop a deep understanding of the world around them.

VINEYARD STEM MAGNET SCHOOL

1500 EAST 6TH ST., ONTARIO
(909) 984-2306

Vineyard STEM Magnet School is a TK-8th school that provides an instructional program with an emphasis on Science, Technology, Engineering, and Math. All students participate in an enriched academic program to develop STEM skills through an integrated grade level curriculum. Students engage in a variety of learning tasks to develop and explore language and literacy skills, scientific topics, technological advances, engineering principles, and mathematical concepts in the world around them.

DE ANZA SCHOOL

1450 SOUTH SULTANA AVE., ONTARIO
(909) 986-8577

De Anza Middle School, an Integrated Project-Based Learning Magnet, delivers a well-rounded and rigorous academic program that prepares students to be critical and creative thinkers, collaborative problem-solvers, and effective communicators. Students participate in several interdisciplinary projects each year, engaging them in real-world problems to encourage inquiry. Our outstanding Crew program allows students to practice collaboration and community-building. De Anza is a State and National School to Watch, Gold Ribbon School, and Title I Achieving School.

OAKS MIDDLE SCHOOL

1221 SOUTH OAKS AVE., ONTARIO
(909) 988-2050

Oaks Middle School is a designated **AVID National Demonstration School**. Our mission statement is “to close the achievement gap by providing every student a comprehensive education that prepares them for future learning and success in a global society.” We offer AVID, Honors, Technology, Orchestra, Choir, Competition Marching Band and Auxiliaries. Oaks implements PBIS (Positive Behavioral Interventions & Support) and takes pride in providing a positive and safe environment to prepare our students for college and career.

SERRANO MIDDLE SCHOOL

4725 SAN JOSE ST., MONTCLAIR
(909) 624-0029

Serrano Middle School is the top achieving OMSD middle school. We’re recognized nationally as a **School to Watch** and a future AVID Demonstration School. All students receive rigorous instruction by dedicated teachers utilizing research-based best practices for success in high school, college and career. Foreign language, music, leadership and athletics complement excellence in student learning. Come join Serrano – a high achieving, student-centered school, where all students reach their full potential.

THE ARTS CONSERVATORY AT VERNON MIDDLE SCHOOL

9775 VERNON AVENUE, MONTCLAIR
(909) 624-5036

The Arts Conservatory at Vernon Middle School: Students participate in an enriched academic program and choose between two electives in the areas of instrumental and vocal music, visual arts, dance, media class, set design or drama. Hands-on experiences and performances integrate Visual and Performing Arts into a strong basic skills program. Enrollment in the Arts Conservatory requires attendance in a zero-period class. Students interested in advanced classes audition prior to enrollment in that class.

VINA DANKS COLLEGE-PREP ACADEMY

1020 N. Vine Ave., Ontario
(909) 983-2691

Vina Danks College-Prep Academy: High school ready. College ready. Career ready. These goals serve as the foundation to our four pillars of learning – *accelerated curriculum, foreign language, technology, and community service.* Students are provided access to rigorous instruction based on critical thinking, collaborative learning, communication, and performance-based assessment. A wide range of electives (AVID, robotics, art, music, Spanish, French, home economics), also prepare students for a smooth transition to high school.

RAY WILTSEY MIDDLE SCHOOL

1450 EAST G ST., ONTARIO
(909) 986-5838

Ray Wiltsey Middle School serves students in 6th through 8th grade. A core tenet of the International Baccalaureate (IB) Programme is an enriched curriculum, which includes Spanish, Art, and Technology in addition to the core subjects. Additionally, students are exposed to new ways of connecting to the curriculum through a global lens.
