## Student Agreement:

I agree to accept enrollment into the AVID elective class which will offer academic support to me. I want to succeed and I understand that I must take individual responsibility for my own success. I understand that in order to give fair consideration to my involvement with the AVID program, I must commit to remaining enrolled in the AVID elective for at least one year, and that I will be allowed to remain in the program only if I meet the student responsibilities outlined above. I also understand that research shows that I will be most likely to demonstrate academic improvement if I remain in the program at least three years and most likely to meet my goal of attending a four-year university or college if I remain in the AVID program until my senior year of high school.
