## A Message from the Principal...

We know that all of our students and families have been working very hard at home this past month learning how to navigate our new online learning- Google Classroom, Zoom, and others, and we are so proud of all of you! As students continue to become more familiar with our new learning platforms, the smoother things will become. If you need technical support, please contact us at the school office or through Class Dojo.

Kingsley Elementary is a PBIS school, and we teach our students how to follow "The Big Three" expectations of being **respectful**, treating others the way I want to be treated; **responsible**, doing the right thing even when no one is watching; and **compassionate**, what hurts my brother or my sister hurts me, in our virtual classrooms. Last month we received notification that Kingsley is receiving an award from the California PBIS Coalition in recognition of our efforts to support our students and community during our school closures last spring. This award is a tribute to the hard work and dedication of all our Kingsley community members. Congratulations, everyone!

One special area all OMSD schools are focusing on this year is supporting students' socio-emotional needs. We know this pandemic is difficult and causes many of us to experience different, and sometimes difficult, emotions. Our teachers will follow special lessons to help our students, and during the month of September students will be focusing on self-awareness.

As a reminder we offer free meals for all Kingsley students from 11:00-1:00 at our back gate. Students do not need to be present to pick up the meals, but the person picking up meals will need to have the students' lunch cards. At lunch pick up students are provided with a breakfast, lunch, and dinner. On Friday students receive three meals for Friday plus two meals and two snacks to eat over the weekend. Your completion of our annual Free and Reduced Lunch Application makes this possible. Thank you for your help in this area.

Sincerely,

*Mrs. Troesh*
