SEPTEMBER 2023

(909) 984-3634

A Message from the Principal...

September is here, and our students are beginning to settle into our routines. Now is the time we begin to add our enrichment opportunities including after school music, homework club, sports, and more. Our goal is that each Kingsley student will find at least one activity (during the day or after school) to join during the year.

One new core opportunity for our students is with our new Art Class held during the school day. Ms. Ureno, former Kingsley fifth grade teacher, is providing all students in TK-sixth grade with weekly art lessons. We look forward to our students connecting to other forms of visual arts in addition to our wide offerings of music here at Kingsley. We can't wait to see what our students create with her support!

Monthly honor assemblies to celebrate our August students are also coming up and will take place on September 20th and 21st, and we are excited to celebrate and recognize our outstanding lions! We hope you will join us either on Zoom or in our MPR for these special assemblies. Students who are scheduled to be recognized will have a letter sent home to their family.

Kingsley teachers have completed our beginning of the year assessments, and we are starting to provide specific, targeted acceleration for our students in kindergarten through sixth grade based on their levels and needs. Starting this month we begin our Universal Access time where we will be able to provide our students with data-informed support and acceleration. We appreciate the support our families provide our students at home. Your help in getting every lion to school every day, on time, will make a huge difference in their academic achievement.

Kingsley Elementary is a PBIS school, and we teach our students how to follow "The Big Three" expectations of being **respectful**, treating others the way I want to be treated; **responsible**, doing the right thing even when no one is watching; and **compassionate**, what hurts my brother or my sister hurts me. This teaching began the first day of school with a stronger push forward at our PBIS Kick-Off assembly and continued with rotations around campus as staff members instructed students on how to show "The Big Three" all over Kingsley. We are still waiting for news regarding the PBIS award we applied for last year, and hope to share exciting news with our school community soon. We truly appreciate our families' support in reinforcing our expectations at home too.

This month during our SEL time, students will focus on the socio-emotional skill of self-awareness. Self-awareness will help students recognize their strengths, build self-confidence and self-efficacy skills. They will learn how to make positive self-statements and understand their mental and physical responses to the world around them based on their own experiences.

As a reminder we offer free breakfast for all students in kindergarten through sixth grade from 7:15-7:35; second chance breakfast is offered again during morning recess. Thank you all for helping us collect our Alternative Income Forms; we are almost at 100% completion!

Let's continue to work together in support of our amazing students!

Sincerely,

Mrs. Troesh

After School Music at Kingsley

Beginning this month!

- Monday 2:30-3:30: Rock Band
- Wednesday 2:30-3:30: Rock Band
- Thursday 2:30-3:30: Choir 1st-3rd; Level 1 Piano
