A Message from the Principal...

Dear Kingsley Families,

It's hard to believe that at the end of the month we will reach the end of Trimester 2 and we will be two-thirds of the way through the school year.

We are so proud of our lions who accepted the Kindness Challenge last week and turned in their Bingo cards for a chance to win a prize. It was such a pleasure to watch our students look for ways to show kindness to each other and our staff; we hope they completed kindness acts at home too. Let's find a way to be kind every day.

After completing our second iReady test this year, we are proud to share that many of our students earned a special magic show for scoring "green" in one or both subjects or improving a level in one or both subjects. We are excited to see even more improvement after students begin testing later this month. Great work, everyone! How can you support your child at home? Make sure they are reading at least twenty minutes a day outside of school, and talk to your child's teacher during conferences next month about your child's specific needs.

Our annual Thought Exchange LCAP survey is open and ready for you. Your participation in this process empowers you to help guide the direction of the Ontario-Montclair School District and our school. Not only are you guiding the decision-making process, but you are also allowing our school to maintain its tradition of being a school that strives to achieve a world class education for our children.

Here is a quick reminder about student cell phones at school. While we understand the desire for parents to provide phones for their children, phones should be turned off and kept out of sight at all times as directed by school employees. In addition, students may not use their phone or other electronic device with a camera or recording function in any way that infringes on the privacy rights of others without first obtaining permission from school staff. More information is provided in our handbook. Thank you for your understanding and support.

We also want to remind our families that hard copies of our SPSA (School Plan for Student Achievement) and SARC (School Accountability Report Card) are available in our front office if you would like to review them.

Let's make it a great month!

Sincerely,

Mrs. Troesh

Spelling Bee

Congratulations to 5th Grader

Honor Peerzai

Kingsley's Spelling Bee Champion

Juliana Molina, 2nd Place

We are so proud of all our spellers!

Thank you spelling bee committee
for planning this event!

ENROLLMENT STARTS IN MARCH

Kindergarten

Children who will be 5 years old on or before September 1, 2024, are eligible for kindergarten. More enrollment information will be available next month.

Transitional Kinder (TK)

Children who will be 5 years old on September 2, 2024 through June 2, 2025 are eligible for TK.

Kingsley Conservatory of Music with Mr. Silva

This is a fun and exciting time at the Kingsley Conservatory of Music as we look to build skill and knowledge about music. Our lower grade students are exploring simple melodies and tone sets. Upper grade students are learning about syncopated rhythms while exploring percussion instruments. Beginning string students are working on bowing technique and finger board notes. The beginning band is hard at work on meeting their goal of knowing 10 notes and reading eighth-note rhythms. Our advanced instrumental music students will be attending the district band and string festival later this month. We are looking forward to our springtime performances and our grade level concert, *A Tribute To The 60's*. **Mark your calendar now for May 9th, our Spring Concert! Doors will open at 5:00; performances will begin at 5:30.**

February

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SAT.
<p>RELATIONSHIP SKILLS: Communication and Social Engagement During the month of February, your child's SEL instruction will focus on Relationship Skills to increase the ability to communicate clearly, listen well, and resist inappropriate social pressure. Students often find it difficult to communicate their needs in positive ways without blame or defensiveness. Yet, being able to effectively communicate how they feel—whether positive or strong emotions—and ask for what they need can open up conversation and strengthen relationships.</p>			<p>1 Homework Club 1st/2nd, 4th-6th 2:30-4 Homework Club 3rd 2:30-3:30 Dance 4th-6th 2:30-4 Coding 4th-6th 2:30-3:30 Boys' Soccer 2:30-3:40 Piano I 2:30-3:30</p>	<p>2 P.E.
