A Message from the Principal...

Dear Kingsley Families,

Happy New Year! We hope you had a wonderful break with your loved ones. The Kingsley staff is excited to be getting back to school and learning.

A huge thank you to all our lion families who were able to attend our Winter Concerts last month. We want to acknowledge Mr. Silva and guest music teachers, our classroom teachers, our Winter Concert Committee, and our students for making these events a success. Please mark your calendars for our annual Spring Concert on Thursday, May 9th. Let's keep the music-making magic alive at Kingsley!

January is also the month we review our PBIS Behavior Expectations with our students. At our assembly on January 22nd and in areas around campus we will be giving them reminders on what it means to be a Kingsley Lion who is Respectful, Responsible and Compassionate.

The spring portion of our school year is when student learning really accelerates! Students have developed community in their classrooms and teachers are aware of student strengths and how to best support them. Some ways you can help this rapid learning is by ensuring students arrive at school every day, on time, provide students with a quiet place to study and encourage reading every day for at least twenty minutes.

If you use our driveway circle in the morning for drop-off, thank you for remembering to pull all the way forward before stopping to have your child exit the car, immediately, and making **only right turns** out of our driveway. We also ask that **drivers remain in the car**; this will help us keep things flowing smoothly. Thank you also for remembering to reserve handicap parking spots for those with a placard and for following all traffic laws and regulations. Should you use our parking lot, thank you for driving and backing up slowly. As a reminder breakfast and supervision is available starting at 7:15; things are much quieter before 7:30. We also have our back gate open from 7:30-7:45 to help with the volume of cars in the front. At dismissal we also need to have our bus zone clear until our bus has left. We want to make sure all of our Kingsley Lions and families are safe, and we appreciate your help in this matter!

Sincerely,

Mrs. Troesh

The Great Kindness Challenge

January 22nd-26th

During the week of January 22nd-26th Kingsley students will be encouraged to complete acts of kindness at school and at home as part of a world-wide voluntary program promoting kindness, socio-emotional health, and bullying prevention. Since its inception in 2011, this challenge has been completed by over 19 million students, 39,000 schools, in 115 countries. This week will involve spirit dress up days. For more information about The Great Kindness Challenge please visit <https://thegreatkindnesschallenge.com/>. Student checklists will be provided with sample ideas on ways our students can show kindness to others. Together, let's make our world a kinder place!

- January 22 Let Your Kindness Shine- Wear neon colors
- January 23 Crazy for Kindness- Crazy socks and hair
- January 24 We Mustache You to be Kind- Wear a mustache
- January 25 Be a Kindness Hero- Dress as your favorite superhero
- January 26 Keep Calm and Smile- Wear a smiley face

Get Your Friendship Grams!

Friendship Grams (\$1 or \$2) will be available for purchase 2/1-2/13 in our front office for parents or at morning recess for our students. Sales are cash only. Delivery will take place by 2/14.

Thank you for supporting our sixth grade class!
