A Message from the Principal...

We are now accepting registration forms for **2024-2025 Kindergarten & TK Students**. Enrollment is available online here <https://enroll.omsd.net/pe/>, or families may stop by the front office to pick up a registration packet; office hours are 7:15-3:30. All incoming Kindergarten and TK students will need a physical and dental examination as well as immunizations before enrollment packets can be turned in. Current TK students **do not** need to fill out a new packet; they will be automatically enrolled into a kindergarten class for next year. Preschool students **must** complete a new enrollment packet with their home school if their birthdate makes them eligible for TK or Kinder. If Kingsley is not your home school, you may complete a transfer request for review to stay here.

Parent Teacher Conferences are this month, March 18-22. Please be sure to attend your student's conference so that you can communicate with the teachers and be informed on your child's progress and learn ways in which you can help them in their school career. Our goal is 100% participation.

All **6th graders** must have a **Tdap Vaccination** before they can begin 7th grade. They will not be allowed to start school in August without it; Spring Break is a perfect time to take care of this important requirement. Students will earn incentives for themselves and their homeroom class as they turn in proof of immunization.

Lastly, please enjoy your **Spring Break** with your student, March 25- 29. We hope our students will be sure to continue to read 30 minutes a day, and we will see you all back at school on Monday, April 1st.

Sincerely,

Mrs. Troesh
