Dear Parents,

Oaks is proud to announce that we are now a PBIS (Positive Behavior Intervention and Supports) **Platinum** school. Staff members, administrators, and parents agreed upon school-wide expectations that Oaks would use as a tool for teaching expected behaviors. The acronym, PRIDE, is the format that was decided to represent these expectations. The letters in the acronym stand for: **Prepared, Respect, Integrity, Determined, and Empathetic**

The students at Oaks Middle School have been learning about school-wide behavioral expectations. These expectations are an effective way to be proactive in managing behaviors. Each student was provided with a behavior matrix that is should be on the back of their binder at all times. This allows students the opportunity to refer to the expected behaviors whenever necessary. This is a positive approach to managing behaviors.

Students are acknowledged for exhibiting the behaviors expected by receiving a "PRIDE ticket" from staff members. These tickets are turned in to the office and the names are read during the announcements every Friday morning. Students are then allowed to come to the office to pick a prize.

Please take this opportunity to talk to your child about the expectations at school and the importance of continuing to demonstrate PRIDE behaviors. With your continued support and involvement, Oaks Middle School will remain a school where students can excel.

Oaks is a PBIS **Platinum** Recognition school
