SELF-AWARENESS: Recognizing Strengths, Self-Confidence, and Self-Efficacy

During the month of September, your child's SEL instruction will dive deeper into **Self-Awareness** focusing on recognizing strengths, self-confidence, and self-efficacy skills. Students will learn to make positive self-statements and understand their mental and physical response to the world around them based on their own experiences.

Join us via Zoom for the next Cafecito/Coffee with the Principal on Friday, September 11th. Parents in attendance stay up to date with Sultana happenings.

Welcome back Sultana Parents! As we start out the school year learning remotely from home, here are a few tips to help your child be successful.

- Create a learning space for your child
 - Set a routine for your child to help them manage their day according to their teacher's schedule
 - Make sure he or she is getting enough sleep, so they are rested!
 - Set expectations that you would like to see at home
 - Look at the School-wide matrix to help support your child and his or her teacher
 - Teach, Remind, and Reward expected behaviors with positive feedback
 - When reminding your child of the behavior you would like to see, make a quick correction. Reward the appropriate behavior when shown.
- Find moments throughout the day to connect and enjoy time with family.

Student Meals

Our hard working food and nutrition staff will be providing meals to all our students each day from **10:30-12:30**.

Please make sure you bring your students lunch number that was provided to you on a scannable card. You will drive through the parking lot and one of our Proctors will help you. Breakfast, lunch and dinner will be provided each day of the week. Students do NOT need to be present to receive their meal, but you **MUST** bring their lunch cards.
